Shortly after Wal-Mart you will make a left on Puunene Avenue. Follow this around past the sugar factory and museum on the left. This turns into route 311, and will take you straight across the island to Kihei.

When you reach the first light in Kihei, continue through until you can no longer go straight. Turn left and follow the water front about 1.2 miles to the Maui Sunset.

The Maui Sunset is located at 1032 Kihei Road. Turn right into the parking at Building B, and proceed to the front office for check-in.
